

The **OFFSITE** Construction Show

ExCeL, London
20 & 21 November, 2019

Supported by *buildoffsite*

Stand Sales Brochure 2019

Now in it's 5th great year!

The 2019 event is the 5th OFFSITE Construction Show and it's become Europe's Number 1 Offsite Event!

Being located in the UK's capital city is a significant factor in not only attracting senior executives from UK industry, government and utilities but also a truly international audience with 60 countries taking part in the 2018 edition of the show.

As the newly appointed Head of Sales for the show, I'm delighted to be taking over the sales year for the 5th edition of this very popular show.

The **OFFSITE Construction Show** is a unique event. Held at London ExCeL, a world class venue in London's Docklands, the show attracts an audience of outstanding quality with the visitor list reading like a Who's Who of Developers, Construction, and Engineering companies.

Housing Associations and Architects are also at the show in force.

I feel it is extremely significant that we have the show founder, Steven Callaghan, back at the helm as Show Director.

Steven brings extensive hands-on experience not only of the show itself, but a lifetime spent in almost every part of the building industry. He is not simply a show organiser - he understands all of the products in the hall and what they do, and he has plans for the 2019 show that we will be revealing as the year passes and I look forward to speaking to you about them.

If you have any questions or need a quote for a stand, please do not hesitate to contact me by either telephone or email.

I look forward to speaking with you and to welcoming you to the show.

Maddie Maclellan

What they said about OSCS2018?

"This was our first time at The Offsite Construction Show and it's been absolutely fantastic for networking and sales".
Joan Belton

The logo for Eurobond, consisting of the word 'eurobond' in white lowercase letters on a dark grey rectangular background.

"We have been glad to exhibit at The Offsite Construction Show, it's been a very successful event for us, we've had a lot of enquiries and look forward to doing it again next year".
David Wallach

"It's been a fantastic show this year, we have met lots of architects and developers and we look forward to being involved next year".
Daniel Leech

"This is our first time at the Offsite Construction Show, we have had some fantastic leads, it's been really worthwhile".
Matthew Lago

The logo for ModuleK LTD, with 'ModuleK' in white and green text on a dark green background, and 'LTD' in smaller white text to the right.

"It's been absolutely amazing, the interest in our systems and the services that we can offer has been very encouraging".
Brian Pester

The logo for Knauf Insulation, with 'KNAUF' in blue and 'INSULATION' in grey text.

"The volume and quality of enquiries we have had has been absolutely superb. Certainly going to exhibit next year".
James Hulbert

"It's been very productive and we had a lot of meaningful leads. Definitely coming back next year".
Adam Reid
